CORNWALL MINIATURE WAR-GAMES ASSOCIATION

*28mm Normandy Beaches Game (Bovington 2014)*

## About CMWA

Cornwall Miniature War-games Association (CMWA) exists to provide war-gamers in Cornwall with an environment where they can get together to play games and share their enthusiasm for the hobby.

We meet every other Sunday.

We have a very broadminded approach to war-games and most members are happy to play all kinds of historical, fantasy or sci-fi games.

Despite our name we also play board games and card games.

If you think you might be interested in joining, why not drop in or get in touch via the web site? There's no obligation to join and we'll make sure you get to play a game or two.

We are located at;

Village Hall, North Road, Quintrell Downs, Newquay.

We meet every other Sunday. See web site for the next meeting dates.
